All completed checklists will be shared with the Delaware Pollution Prevention Program (DNREC).

We will use this information to generate a REPLENISH profile of your facility that will be promoted on the websites for DNREC and the EDEN Delmarva. Certified REPLENISH restaurants who are chamber members will also be listed on the Rehoboth-Dewey Chamber of Commerce website. EDEN's REPLENISH team will soon contact you to confirm your information and will

then send you a REPLENISH Welcome Packet that will include a REPLENISH certificate and window decals for display. You are also free to use the REPLENISH logo on your letterhead, marketing and other materials. The REPLENISH program also encourages you to link your web site to your facility information after it has been received and posted on the DNREC REPLENISH page and EDEN Delmarva web site.
